

NEXT GENERATION MENTORING

MENTOR COVENANT

I, _____, hereby commit and covenant to the following...

I affirm my commitment to the mission of my church/ministry and I promise to be a faithful volunteer, leader, supporter and ambassador for the Christ.

If selected as a mentor in the Next Generation Mentoring program, I will attend and be on time for the mentor orientation, the kickoff event, each of the sessions, the graduation retreat and the post-season celebration. Serious illness or Divine Providence will be my only reason for not attending.

I recognize that as a mentor, my mentorees and others will be watching my life. It is my intent to live a God-centric life in view of all.

I will host eight monthly sessions in my home (once a month, three hours each) and will arrange for my group's weekend graduation retreat.

I pledge to have at least one "one on one" meeting (breakfast or lunch) with each mentoree during the course of the mentoring year.

I understand that mentoring is about transparency. I pledge to be open and transparent with my group.

I understand that this is a facilitation model...not a teaching model. I will listen more than I talk, and will offer advice based on Scripture and my own experience (wisdom).

I will complete all reading and homework assignments and be prepared to orchestrate each session.

I affirm that my work and family commitments will allow me the time and energy required to successfully lead this program.

I agree to pay the cost of my participation in the program (\$200) due at the first meeting. This covers the cost of the program materials and books. I will also be responsible for my portion of the cost of the graduation retreat.

I agree that I will keep whatever is discussed in the mentoring group confidential.

I agree to the terms of the Next Generation Mentoring Covenant

SPOUSE'S STATEMENT OF SUPPORT

I, _____, hereby join in this covenant with my spouse. I want to help him/her as he/she endeavors to invest in the next generation. I understand that this year will require a sacrifice of time and attention by my spouse....time that will not be spent with me and our family. I pledge to support my spouse as he/she hosts monthly meetings and facilitates the retreat at the end. I also understand and agree to help host one dinner during the year at our home for the mentorees and their spouses. In addition, I will support my spouse as he/she will be reading books, memorizing scriptures, and connecting with the mentorees (and other mentors)... all for the purpose of helping the next generation of leaders to grow in their faith and become the people that God wants them to be.

I agree to the Spouse's Support Statement.
